Chief, Communications Branch

January 2, 1948

Chief, FBIB

Loan of Employees to the FBIB Reseda Project

1. This office desires to express its appreciation of the cooperative service rendered by the staff of the Communications Branch to the execution of the FBIB Reseda project, in supplying technical advice, in making communications available, in expediting procurement and particularly in lending staff assistance for the splicing of RG 85/U cable.

2. did an excellent job at Reseda during their four weeks of detail to the project, and it is desired that they be commended for it.
